**DETAILED ACTION**

The following is an examiner's statement of reasons for allowance: The claims are allowable over the references of record in that none of the references of record teach: a first subset of data of a first data record of a plurality of data records (electronic mail messages, contact and calendar entries) to be saved from a mobile device to a computing device and deleting the first subset of data from the mobile device and such that the second subset of data of the first data record remains in the mobile device, and for each of the second data record of the plurality of data records, identifying and retrieving and storing the first subset of data record from the computing device to the mobile device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
